Message: Hello,

My name is Pablo and my family is opening a new modern Latin restaurant, Maduro, in Miami.

We are looking to hire a marketing agency to help us in that area. We need a new website with an online ordering system as well as help with our social media. Please let me know if that is something that your company could help us with.

If so, please send me a proposal with the different services that you offer along with pricing for review.

Thank you,

Pablo Gonzalez
