through online courses for training and job placement.

Supreme Hydrations, Inc is a Virtual Contact Solutions Center that primarily employs remote or work-at-home service professionals that have an interest in working in the customer support business on their own terms. Supreme Hydrations, Inc has the resources that can provide the technology to make that happen. No Manager, No Boss, Create your own schedule. After candidates have registered and completed the onboarding process, they will have access to dozens of brands seeking customer support agent services. These are called Client Opportunities. When a client opportunity is selected this is what is called "enrolling in a certification course" that will prepare a candidate to support the client they have selected.
