Message: Good Morning!

This is John in ImagesIndia Dotnet, a graphic design company located in New Delhi, India. I visited your website and found we can be great assistance to you for doing your editing/retouching-post production work. We have a great team of graphic-designers working round the clock. We can provide you 24 to 48 hour turnaround time for any volume of images at a very nominal price. We would be very happy to show you the quality of our services if you could send us a few test images.

We have a very special price for bulk images and we can provide very quick turnaround time for it.

We do manual culling and editing - don't use AI software.
