

## Global Presence Reseller/WhiteLabel Program

1

Dear Partner,

Welcome to the **Global Presence Whitelabel & Reseller Partnership Program**. This partnership is for entrepreneurial-minded people like you who have a passion to help people grow their organizations by providing business and marketing development solutions. As you do the sales and referrals we will help you close and do the heavy lifting of research, development, design, and execution of multi-channel marketing strategies from WEBSITE DESIGN, SEO, ADS, SALES FUNNER, EMAILS, & MUCH MORE.

### 1. Purpose:

We are looking for partners like you who have the drive to help others grow and make money in the process. Leaders who understand the art of relationally connecting with businesses in need of growth.

### 2. Profit-Sharing:

As you continue to connect with new prospects and close new deals we will support you in the process. Because this is a partnership based on revenue sharing we will have to split the dollar into thirds (33%) on most deals. Some commissions you earn may be as low as 10% due to the cost of labor and goods. But for the most part, it will be between 15%-33%.

### 3. Unseen Partner:

We will work as an **upfront business partner** or [white label partner](#). Whichever model serves you best. Whitelabel partner is good for companies who seek for Global Presence to be in the background helping clients under their company brand.

### 4. Investments:

You will need to invest in your marketing efforts to grow. Our commissions are [evergreen](#) on both of our ends. An evergreen model states that as long as the client pays the seller, the sales rep or support team gets paid. Essentially it is a permanent commission payout structure as long as the client makes payment.

If you chose the white label structure the client belongs to you and we will ask for upfront payment based on the commission rates stated above. It is essential that you receive payment from your client before committing to any work.

### 5. Goals:

Our goal is to help you increase your revenue each year. This amount can greatly increase if you have a greater sales network and marketing efforts behind our joint effort.

**6. Tax:**

All tax liabilities will be partners' individual responsibility and all commissions paid to Global Presence Enterprises will be made as 1099 independent contractors.

**7. Quota:**

There is no monthly minimum quota for this plan and all commissions are evergreen.

**8. Payment Process:**

Payments will be made to our partners through our affiliate app via Paypal by the 1st of every month.
