GP SoFIA Edits 1.11.22
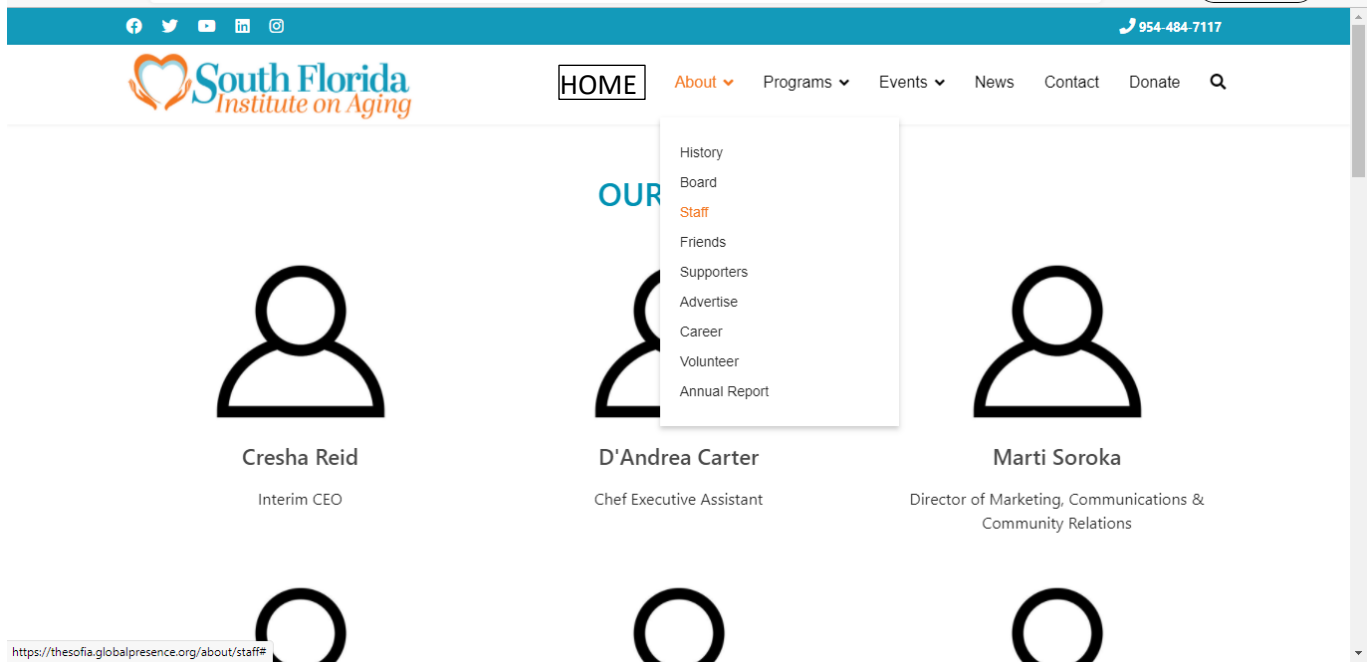

1. Under the About
   a. Change About to About SoFIA
      i. Remove or disable the pages for
         1. Friends, Supporters, Advertise, Career and Volunteer
            a. Advertise will go under 'Support Us' which was previously Donate

2. Under Programs
   a. Let's Change Programs to Our Impact
      i. Under Our Impact we will have 1 page for each of the following
         1. Services
            a. This will be one page listing out all service areas and their respective programs
               i. When someone clicks on the program either the name is clickable with a pop up of information or it expands with the information
         2. Success Stories
         3. Research & Advocacy (but this page will not be live yet)
         4. Remove Partnerships as this will be something part of Support Us
